Swim-Up will be in June for early registration which is a family bbq and celebration. This is a good time to register early to get your discount and bring a friend who may want to join. Bringing a friend is always encouraged to share scouting to others who do know about the organization.

Information provided can change due to weather or interest. Please keep posted by checking your e-mail or by information that I give out at meetings. Any questions, please ask and we will be happy to assist you.

We are trying to get in a day of fishing, more boating and some family camping during the weekends. If you have any suggestions please pass on the information to me. Some places of interest are Cultus Lake or Hazelmere.
